Speaking Introduction for Sam Demma

*Please read this exactly as it is written, and do not add anything before or after unless previously discussed with Sam**

Welcome everyone! It is my pleasure to introduce a very special guest we have with us today:

He is a best-selling author and speaker who has performed over 750 times across Canada, the United States, and Kenya.

He has delivered two TEDx talks, and his online videos have been viewed over 450 million times.

He was ranked the #1 keynote speaker in North America (long pause) by his mom.

In his spare time, you can find him reading books, dancing the salsa, or eating handfuls of tacos.

Please put your hands together and give a warm welcome to... Sam Demma! (DEM-MA).
